## **PROFILE:**

I am currently 34 years of age, married with one girl aged 4 called Maisie.  
I would describe myself as very ambitious, determined with excellent communication skills.  
I have been in the Pest Control Industry for nearly 6 years in various roles including technician, senior technician and surveyor mainly within the Food Manufacturing sector.  
Before moving into Pest Control I was involved in the Grounds Maintenance Industry for 8-9 years.

## **EDUCATION:**

Hailsham Community College - 1987 - 1992.

Maths C  
English C  
Sociology C  
Geography D  
Science DD

## **WORK HISTORY:**

Mar 01 - Sep 04 - Tickton Grange Hotel.

My role was a Gardener/Handyman, I was responsible for maintaining the hotel grounds and carrying out basic maintenance internally and externally within the site grounds. During this position I had regular contact with the general public.  
I left this position to learn a new trade within the Pest Control Industry.

Sep 04 – Aug 06 - Pest Shield in Hull.

I was employed as a trainee Pest Control technician, during my employment I completed the training and obtained the RSPH Level Two certificate in Pest Control; this was awarded on the 17<sup>th</sup> May 2005.

During my time with Pest Shield my role was to provide a quality reporting service within various sectors including the Food Manufacturing Industry, Care Homes, Hotels and Network Rail.  
I left Pest Shield to join a large National Company to enhance my career prospects within the Pest Control sector.

Aug 06 – Dec 06 – Ecolab (National Company).

I moved to Ecolab to enhance my career prospects within the Pest Control Industry and with the hope of progressing into a more advanced position. My role was a service technician servicing a

broad range of clients.

I left Ecolab after a short period of time as I was offered a more advanced position and salary increase within another Pest Control Company.

Dec 06 – Apr 10 – Envirocare.

I joined Envirocare as a senior service technician servicing mainly within the Food and Related Industry. During April 2008 I moved into sales and was account manager to a number of large Food Manufacturers and Blue Chip Companies, during 2008 I sold 135k and in 2009 185k made up of new business and job work to existing clients. In my time with Envirocare I was at one point responsible for managing 5 technicians as well as carrying out my daily duties as a surveyor developing new business for the company. My finishing salary was basic 26k per annum + commission.

During April I was approached and offered a new position within a new start up Pest Control Company based in Hull as a Business Development Manager, unfortunately after accepting this role I realised it was not for me and I am actively seeking employment in any role within the Industry. During this period Envirocare had already filled my position so at the present time I am unemployed and seeking an exciting job opportunity with genuine career prospects with the opportunity of progression within the Pest Control Industry.

#### **QUALIFICATIONS:**

RSPH Level Two in Pest Control.

Powered Access Licence (expiry date 29/02/2012).

PA1 & PA6 in the safe use of pesticides.

#### **INTERESTS:**

In my spare time I enjoy fishing, walking the dog, watching football and most sports and spending quality time with my family.

#### **ADDITIONAL INFORMATION:**

I am looking for a new challenge and secure position within the Pest Control Industry to learn new skills and develop the skills I have already obtained with the opportunity of career progression in the future.

During my time within the Industry I have mainly worked within the food and related sector dealing with various retailer specifications including BRC Issue 5, Tesco Version 3.2 and Marks & Spencer Hygiene Guidelines 7 Pest Prevention Version 2. I believe I am very adaptable and willing to learn new skills to produce quality results within the required field, I am also extremely motivated and determined to achieve my goals within the Pest Control Industry. I have a full driving licence.
