Our ref: Mole Control Survey 2009
Thursday, 08 October 2009

Dear All,

The Scottish Government (SG) is undertaking a study into the methods of mole control throughout the United Kingdom, as advertised in the NPTA's recent newsletter.

The SG would be grateful if you could complete the attached questionnaire on mole control and return it to the following email address: MoleControlSurvey2009@scotland.gsi.gov.uk

Or if you prefer to post your completed questionnaire, then please send it to the following address:

Mole Survey,
Pesticide Usage and Wildlife Management,
FREEPOST EH39,
SASA,
Roddinglaw Road,
Edinburgh,
EH12 9FJ

The closing date for completed questionnaires to be received is Monday, 30 November 2009. Thank you for participating in this study.

Yours sincerely,

Jonathan Young
Policy Officer
